Heats and finals are swum on 10 lanes. A detailed time schedule is communicated a few days before the start of the competition. FLNS reserves the right to amend the session times and the number of lanes used should the number of entries require so.

5. Finals (not applicable to Master events as these are Direct Finals)

In all 50m events, there will be A and B finals.

In all 100m events the ten fastest overall swimmers qualify for the finals. In the case of less than ten entries for one race, the swimmers proceed directly to the finals. All events of 200m and longer are direct finals.

WITHDRAWAL FROM FINALS: Any finalist or reserve for a final who does not wish to swim in a final must complete a withdrawal form and submit it to the Competition Office at the latest 30 minutes after the results of the preliminary heats of the event are published. Failure to comply with this procedure results in a fine of € 50.
